

IN THE BIG BANG

author: Antonio Šiber

IMAGINE THAT WE KNOW
THE LAWS OF NATURE SO WELL THAT
WE CAN PRECISELY DETERMINE THE HISTORY
OF THE UNIVERSE. AND THEN WE FIND OUT
THAT IT WAS WRITTEN FROM THE
BEGINNING...

THAT THERE WILL BE ME,
THAT THERE WILL BE YOU AND
THAT THIS IS NOT CONTINGENT
OR SUBJECT TO SOME
FLUCTUATION...

...AND ARBITRARY
INTERPRETATION.

YOU AND I WRITTEN
IN THE BIG BANG ...

WHAT WOULD
THAT MEAN
TO YOU?

WELL... THAT WOULD BE DIVINE !

WHAT DO YOU MEAN BY
"DIVINE" ?
